

LLS News

21/04/2023

Dear families

Welcome back to the Summer Term. We are looking forward to an exciting term of events and activities. Details will be shared in upcoming newsletters.

We are always delighted to hear about the achievements of our past pupils and have featured some Alumni news in this newsletter.

Wishing you Eid Mubarak.

Have a lovely weekend.

Summer term 1:
15.05.2023 at 11:00

Summer term 2:
12.07.2023 at 10:00

In Memoriam

Remembering our pupils who have recently passed away

Lily O'Connor

attended Linden Lodge 27/04/2015—07/09/2018

Jam Jam Pascall

attended Linden Lodge 03/09/2020 -29/03/2023

Suleyman Demirkan

attended Linden Lodge 01/09/2020—02/11/2021

I'm a Sixth form1 student and working towards my Level 1 Award in Home Cooking Skills.

Food technology is one of my favourite subjects, because it gives me the knowledge and basic skills to cook different food from scratch. I enjoy learning about healthy eating, use my skills to cook simple dishes and learn how to use kitchen equipment safely. Since I started this course I became more confident when I follow a recipe and really enjoy sharing my achievements with others. I'm also a Food Waste Ambassador and like helping out in the school's Café.

Exploring birds and birdsong

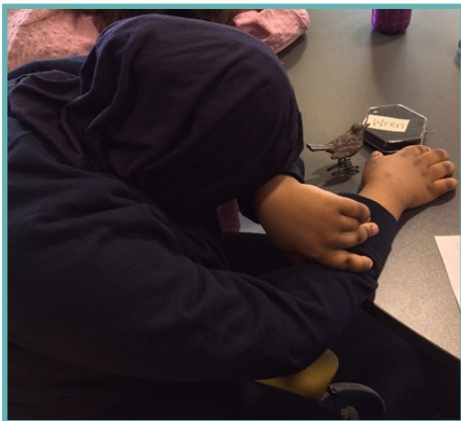

On Tuesday 18th April, the Minerva department were lucky enough to have a visit from the Natural History Museum to explore birds, their structure, and their bird song. We then used our creativity to study the bird song and what we thought the sounds were like, and how we would recognise them.

That was such a fun and different morning!

The sounds of the Wren were like they were laughing and busy in conversation'

I had a fun time feeling the birds and understanding why they have features like webbed feet, and different shaped beaks.

Dear Parents and carers,

Liko Hill-Rom will be in school to LOLER test all our students' slings, week beginning **Monday 24th April 2023** for 3 days. Please can we ask parents/carers to send in all slings from home that are used in school to be tested? All slings will be returned the same day.

It is a legal requirement all slings are Loler tested every 6 months.
Thank you very much for your understanding.

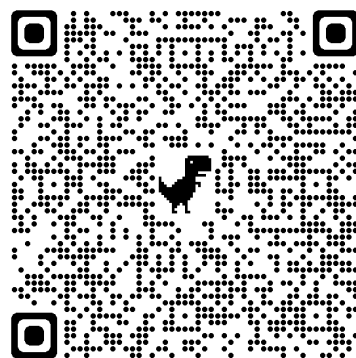

Annette Saxby and Leton Williams

Manual handling and Hoist Trainers.

Alumni News

Past pupil becomes a published author

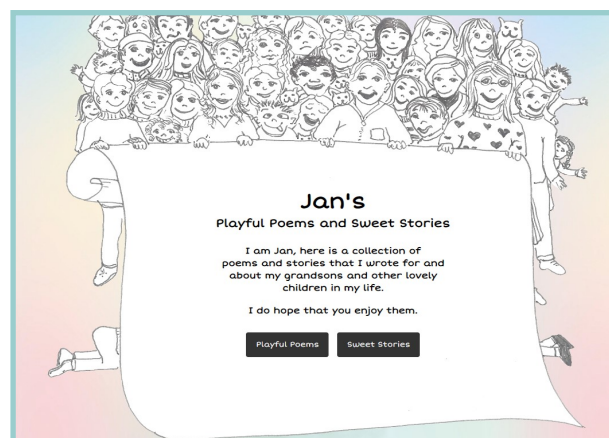

We are very proud to congratulate one of our past pupils, Harry Fleuty, on the publication of his first book. It is available to buy on Amazon—please scan the QR code or click [here](#) to have a look.

Playful Poems and Sweet Stories

As shared in the newsletter before the Easter break, students from Minerva have been working on an exciting project with Jan Britten.

Please note the website address has changed to janspoemsandstories.com. Ayyan, David and Lily can be heard there along with other narrators such as Richard E Grant.

C@LL round up

A huge thank you to everyone who attended recent C@LL events. Around 50 of you have taken part in Easter baking, on-line music and the RSHE session on periods. And thank you for the honesty and enthusiasm with which you join these events, it's testament to the supportive nature of our community.

This half term we have more opportunities to get together, learn and support, starting with a parent led virtual workshop on toilet training on 3rd May at 10.30am. Please keep an eye on our website which has all the latest information, including a date change for the family portrait day

Easter baking in full swing:

Noticeboard

FULHAM FC Foundation

ENGLAND Talent Day

For players aged 7 - 16 with the following impairments:
Cerebral Palsy, Partially Sighted and Deaf

SIGN-UP FORM

Date: Sunday 30th April 2023
Time: 10:30am-1:30pm
Location: Fulham FC Training Ground, Motspur Park KT3 6PT

PARA FOOTBALL

England Para Football Talent Day
at Fulham FC Training Ground, Motspur Park
Sunday 30th April 2023
10:30am to 1:30pm

To sign up: <https://forms.office.com/e/V3Nqt5DZsf>

England Talent Days are utilised as a player's first engagement with the Para Football Pathway and as the first selective environment in the player pathway.

The programme will identify and signpost players to the 'right' environment at that point in time and seeks to feed the subsequent Regional and National levels of the pathway. The Para Football player pathway runs **ALONG SIDE** any football that players already participate in, so does not compromise or replace any current involvement in the game.

The impairment groups included in England Talent Day activities are:

- Players who are deaf
- Players who have cerebral palsy (and are ambulant)
- Players who are partially sighted

Age Range: 7 – 16yrs *(With the exception of mainstream / non impaired GKs which has a more flexible top age range. Please contact disability@fulhamfc.com for more guidance on this.)*

Please Note: Players who are already engaged in the FA Para Football Pathway (*IE: those currently at a Talent Hub or in the Regional or National Talent Programme*) **DO NOT** need to attend an England Talent Day! The FA also run pathways and squads in Blind Football and Powerchair Football, soon to be joined by Amputee Football. For more information on these pathways and squads, please visit: <https://www.Englandfootball.com/england/para>
