Dear families

We have enjoyed a fun-filled week of activities. Our sports days took place this week and were a great success. Thank you to the PE Team for organising and running the activities. They will be sharing some photos and news in next week's newsletter.

We welcomed the families of our graduates to their Graduation Ceremony on Thursday. It was a lovely opportunity for the students, staff and families to celebrate the students' Linden Lodge journeys.

We were also visited by a judge from the London Children's Flower Society who was very impressed with everyone's gardening skills.

Summer reports were sent home today with home school diaries. If your child was absent today the report was posted to you. If you have any questions about your child's report please contact their class teacher.

Have a lovely weekend
