C@LL runs all its events at little or no cost to you. To do this we rely heavily on external organisations to fund our work. C@LL is ideally placed to benefit from the Movement for Good Campaign. Please could you nominate Community at Linden Lodge for the opportunity to win £1,000.

It will take 1 minute to nominate us and the more votes we get, the better our chances. Please spread the word too.

SibSHerd@LindenLodge

The SH@LL event last weekend was a resounding success.

18 attendees came down to Gravity in Wandsworth to participate in some fun activities. We did a game box, where you have to solve puzzles and work together, as well as a round of bowling. We finished off the day by having delicious pizza afterwards too.

Thank you to the organisers for arranging this amazing event!

Louis SH@LL committee member.

## Children in Need

Thank you to everyone who wore spots today to raise money for Children in Need.

In the Alba Centre, Tabla class enjoyed showing off their spotty outfits.

## PE

### Primary Panathlon

Our students have visited the Primary Panathlon Challenge games, where they participated in different sports activities such as curling, polybat, and basketball.

Our team captain Jack wrote about the trip:

#### **My PE trip today by Jack.**

I went on a trip with my friends.

To get to Southfield's Academy we went by school bus.

We all took part in games, curling, tennis, table tennis, skittles, beanbag and ball throwing.

My favorite activity was bowling.

I had a good time and we all got medals.

I give the trip 10 out of 10.

## London Youth Game- Adapted Inspire Festival

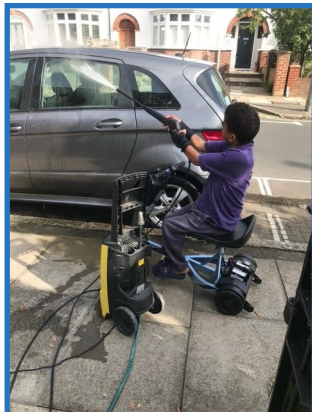

Students participated in the Adapted Inspire Festival, where they tried different sports such as dance, hockey, cricket and boccia.

## Sixth Form

The students in SF1 would like to share all the amazing things they do in the weekends such as spending time with a brother, cleaning the family car, practicing drumming and learning to play the piano and recording poems in the studio.

### Trombone Class celebrated Diwali

We had fun learning about the Festival of Light where everyone enjoyed finding out about traditions and celebrations of the Indian festive period.

We explored traditional dress, lights, music and dance as well as making Rangoli patterns.

These events are extremely quiet and tailored to the needs of certain guests who require a calmer experience that isn't usually possible during general opening hours; the pools will be open exclusively to those with disabilities and their friends/families.

Waterworld welcomes those with disabilities at all times, but exclusivity means families have easier access to the water and rides, with many travelling from out of the area to enjoy the experience.

We are very proud of these events and we look forward to hosting another on Saturday 25th November between 5.30pm and 7.30pm! For further information, please see the flyer below...

**Tickets must be pre-booked, in advance, via the following link: [Additional Needs Event Tickets](http://www.waterworld-tickets.co.uk/#special)**
