16/05/2025

Dear families

We always value your feedback and this week we have two short questionnaires which we would like to ask you to complete.

Please take a few minutes to complete this short questionnaire about the recent MDT Consultations to help us improve the process as we prepare for the Summer term consultations: <https://forms.cloud.microsoft/e/hhbpM9yAtK>

The Speech and Language Team would also value your feedback about their service. Please click on the link in the section below to complete it.

As you know our Phase Transitions event will take place in the Isobel Family Centre on 20th May, from 10am - 12pm, for families with children currently in Years 1, 6, 9 and 11. This event will provide you with information about the next steps for your child and will offer an opportunity for you to meet your child's Head of Department for the next academic year and to ask any questions you may have. If you would like to attend please email jnolan@lindenlodge.org.uk

Have a lovely weekend.

Speech and Language Team Parent & Carer Feedback Survey

Please can you take 5-10 minutes to complete the survey via link below to help the Speech and Language therapy team work towards improving their service. It is greatly appreciated. Thank you, SALT team.

Tuesday 20th May
10am-12pm

Phase transitions event for families
Years 1, 6, 9, 11

Monday 26th May
2025 – Friday 30th May 2025

Half Term Holiday

Friday 18th July 2025

Last day for pupils

Monday 21st July 2025

Inset Day (no pupils)

Tuesday 22nd July 2025

Planning and Preparation Day for staff (no pupils)

Star of the Week

Ellie has had a very good start to boarding, a big step into independence away from home.

Lillie was confident in walking to the local shop whilst being supported verbally by a familiar adult. She was able to demonstrate some road safety and long cane skills.

Pietra for amazing engagement and focus during our sensory story this week. Great work, Pietra!

Elsa for being so engaged during maths group where we were exploring coins as part of National Numeracy Day. Elsa particularly enjoyed listening to the sound the coins made when they hit the table!

David for fantastic work. Well done!

Maryam for engaging with the gardening tools and moving her fingers on the soil, smiling and vocalising.

Learning at Linden - Alba Centre

Gamelan class has been visiting a local bakery every Tuesday morning for this term and we have been working on our mobility and orientation skills, our communication and being out and about in our local community.

The students have been making choices about what they would like to eat or drink using their communication modes, they have been engaging in conversations with their friends with support about a variety of topics and they have been practising their habilitation skills out of the school environment!

We have seen lots of smiles and great engagement, as the students very much enjoy this learning experience!

Fun Run

Ukulele and Harp class had a fantastic out of school activity taking part in a Fun Run. Everyone enjoyed being at the park, having a picnic, listening to music and celebrating fun run achievements. Students and staff brought lots of enthusiasm and completed the circuit with smiles on their faces.

Minerva Assemblies

Minerva staff and students would like to thank the students from King's College and their teacher for their contribution in our assemblies this year. Thank you for your time and commitment. Our students loved chatting with you and learning about so many interesting topics. We look forward to welcoming you again next academic year!

National Numeracy Day

Violin and Guitar class enjoyed exploring different coins hidden in sensory materials during maths group this week for National Numeracy Day.

Medals for Linden Lodge students at London Youth Games

Two students from Linden Lodge represented Wandsworth at the London Youth Games. We won two medals in the event!

Men's 25 metre Freestyle VI category - Silver

Women's 25-meter Freestyle VI category - Silver

Congratulations to our medal winners!
