## Learning@Linden

### Early Years

This week the children have been enjoying the story “What the ladybird heard.”

They explored different textures linked to the story, feeling soft, smooth, fluffy and bumpy textures. The children also listened carefully to a range of real animal sounds for example, cows mooing, dogs barking, ducks quacking and horses neighing.

It has been a great opportunity to develop their sensory skills and listening skills during story time.

### Hounslow Bus Day trip

Seven students attended a trip to Hounslow Bus Day to learn more about safety on public transport.

Transport for London staff, the Metropolitan Police, and Ealing Mencap all performed live re-enactments of scenarios that may occur when travelling on public transport – the police even acted out an arrest!

Our students did an amazing job getting involved and answering questions.

They interacted with the police and explored the braille on their badge.

A great day was had by all.
