In terms of your child’s hearing how did your child access learning previously? What do you feel would be most helpful?	
We will try as far as we can to reflect your child’s programme at school. Are there any particular aspects of learning / development you would like focus on?	
Do you have a copy of your child’s personalised learning goals?	
Did the therapy service provide teletherapy? What was your experience of this?	
How can we best support with the blended programme?	
We will send it via email. Can you access email? Are you able to email us back to confirm receipt each day?	
Would you be able to read stories to your child if we provided material?	
Is there anything else we need to know to help us plan your personalised blended learning?
