

School Improvement Plan 2022-2023

Priority 1: To consolidate and further develop curriculum domains progression grids integrating CFVI.

Priority 2: To further develop pupils' use of learning and communication technology.

Priority 3: To support all pupils in further developing independence skills during transitions.

Priority 4: To ensure that learning and teaching remains consistently high and supports pupils engagement and progress effectively.

Priority 5: To further develop the use of Earwig as a central tool for capturing pupils' progress and achievements, evidence gathering and a centralised assessment platform.

Priority 6: To develop class team knowledge of pedagogy to ensure they are able to effectively communicate both pupil progress and celebrate meaningful achievement.

Priority 1: To ensure that pupils have meaningful opportunities for self-advocacy and to effect change in their lives.

Priority 2: To build on current strategies to monitor pupil attendance and ensure that provision is in place for pupils who are not able to attend.

Priority 3: To enable pupils to actively engage with the wider community

Personal Development

The Quality of

Education

Leadership & Management

Behaviour &

Attitudes

Priority 1: To further develop the RSHE curriculum.

Priority 2: To ensure that pupils have opportunities to optimise their physical health and development.

Priority 3: To further develop Functional Vision

Assessments/compensatory skills to enable pupils to develop their independence skills to their maximum potential.

Priority 4: To increase the range of external accreditation across all pathway.

Priority 5: To further develop the effectiveness of the school's careers programme, apprenticeships and vocational offer.

Priority 1: To embed the leadership structure to optimise school improvement.

Priority 2: To maximise the impact of the new outdoor playground so that it is able to meet the needs of all pupils.

Priority 3: To further build on external challenge and moderation to enable leaders and governors to make accurate judgements of the school's performance.

Priority 4: To consolidate inter-disciplinary structures to further strengthen the inter-disciplinary curriculum.

Priority 5: To ensure that safeguarding systems remain highly effective.

Priority 6: To further develop strategies to increase parental engagement.
